PARENTS PLEASE NOTE, SIGN AND RETURN TO THE SCHOOL:

Registration and payment of N 10,000 does not guarantee admission. It does, however allow us to process your application.

In an International School, admissions go on throughout the year. As and when space is available we will invite you for an assessment. That is why we do not send out any regret letters to parents the only time we send regret letters is when a child fails to meet the requirement of our assessment.

When we start work on our admission lists, we first invite our sponsors, then families whose siblings are already at BLUEWATERS. Hence the school is unable to give out waiting list numbers, to parents.

We, however, wish to reassure you that we do try to follow the list as closely as possible. No name goes off our records, until parents themselves tell us to do so.

If for any reason you wish to defer admission, you may do so and we move you to the bottom of the next year's list. Once again there is no guarantee and your admission will be subject to space and assessment.

In case where a child has been assessed for a particular class but doesn't meet the requirements, it is sometimes suggested that the child is placed in the class below, subject to his/her best interests and space permitting.

Distribution of classes, class teachers and class rooms is solely the prerogative of the school. Much as we would like to, it is not always possible to accommodate requests in these matters.

Having a back-up school is always available and is solely the parent's responsibility.
